

Mounting instructions:

1. Place **Tuff Deck** on top of frame rails.
2. Place (1) washer in each deck top mounting hole. (4 total)
3. Insert bolt thru each top mounting hole. (4 total)
4. Slide a 2 hole plate thru mounting bolt under frame.
5. Place a spacer washer, flat washer, lock washer + nut on bolt (4 nuts total)
6. Tighten nuts + bolts with hand tools only (DO NOT use air wrenches)

Note: Insert the 4 bolts and fasten the nuts lightly. Square the Deck Plate and tighten all 4 nuts tightly and secure to complete installation.
